We are able to work from virtually any image file format. Please ask for further advice.

All canvas prints will have three coats of Giclee varnish applied unless requested otherwise.

We are able to print non standard sizes which are charged at the next largest standard size. For example, if you require a 16"x16" print it would be charged at the 20"x16" price.

Please allow up to 1 week for standard size canvas wraps. Non standard sizes may take a few days extra as the stretcher frames have to be made specially. For Canvas Only, Photo and Poster prints please allow 2 days.
